## Education

### The Art Institute of Pittsburgh

- Bachelor Science, Graphic Design '08 - '12

## About Me

- I graduated with a degree in Graphic Design. Shortly after, I developed an interest designing and developing for the web.
- I'm self-taught in most of my technical competencies. My biggest strengths are Web Design and writing HTML/CSS.

Technical Competencies    ■ Expert    ■ Knowledgeable

Photoshop

CSS3

Jekyll
